CATERING PROSPECTUS

19 MARCH - 30 MARCH 2027

ONE OF AUSTRALIA'S LARGEST
ANNUAL TICKETED EVENTS

Royal Agricultural Society of NSW

BE PART OF THE BIGGEST SHOW IN TOWN!

The Royal Agricultural Society of NSW (RAS) is encouraging businesses interested in providing food and beverage experiences at the 2027 Sydney Royal Easter Show to throw their hat in the ring by completing an application form.

This is your chance to come and meet over 800,000 customers.

The food experience at the Show is just as important as our 9,000 animals, showbags and thrilling carnival rides. We are focused on elevating the food experience, offering value and promoting new and innovative food items never before seen at the Show as part of our unique Winning Bites Show offering.

First held in 1823, the Sydney Royal Easter Show is one of Australia's largest annual ticketed events. Revenue generated at the Show and through Sydney Showground, our venue management division, allows the RAS to invest in agricultural programs, competitions, education initiatives and rural and regional NSW.

The Show is only possible through the commitment of a diverse stakeholder group, dedicated staff and a small army of volunteers who come together to deliver this hallmark event. The 2027 Show will operate from 19 March to 30 March and will be full of agricultural competitions, animal experiences, live entertainment, shopping, carnival fun and so much more.

If you are interested in securing space for your business please read through this prospectus, complete the Expression of Interest form and submit a hard copy application by September 25th.

BACKGROUND

The 2027 Sydney Royal Easter Show (SRES) will be held over 12 days from Friday 19 March to Tuesday 30 March.

Catering outlets will operate in numerous outdoor locations around Sydney Showground.

Licensees are required to provide their own mobile unit(s), as no fixed sites are available at Sydney Showground. Site allocation will vary according to outlet frontage, depth and height and will be determined by the RAS.

All outlets will require quality scrimming approved by the SRES for back-of-house areas. Licensees are required to supply chairs, tables and umbrellas where space is available.

Applications must provide a detailed proposal covering the assessment criteria. The RAS will advise successful applicants in writing of the outcome of their application and confirm site allocation.

The decision of the RAS is final. The RAS does not provide any exclusivity.

This prospectus is not a contractual agreement binding on the RAS.

Successful applicants will be contracted by entering into a 2027 SRES Licence. Full details of the SRES Licence will be made available to successful applicants; however, the site will not be confirmed until the terms and conditions of the Licence are agreed and the non-refundable first instalment payment is received.

Catering applications must be completed within the closing date nominated, **Friday 25th September, 2026.**

SITE AND OPERATIONAL REQUIREMENTS

Work Health & Safety (WHS)

- The Licensee is required to comply with Work, Health and Safety (WHS) laws and have in place their own WHS policy and safe systems of work for their activities. All participants must consult, cooperate and participate with the RAS WHS program and comply with all reasonable directions.
- All catering outlets must be erected in compliance with Disabled Access Requirements. Accordingly, every site must be equipped with facilities permitting accessibility by wheelchairs and other disabled facilities.
- All staff erecting or dismantling stands and staff operating outside SRES trading hours must wear appropriate personal protection equipment. At these times, staff must also keep unauthorised people away from the work area.
- High visibility clothing and closed toe shoes are mandatory during high risk work, bump-in and bump-out and will be strictly enforced across the site. Fall protection for working at heights and SWMS for all high risk work is mandatory.
- All statutory requirements must be met, including adherence to the Work Health and Safety Act and Regulations (WHS Act), Codes of Practice, Environmental Protection Authority (EPA) Act and the requirements of the Sydney Olympic Park Authority (SOPA).
- The Licensee must understand their obligations as a 'Person Conducting a Business or Undertaking' under the WHS Act, to identify the potential hazards of the work and activities within the Space, to assess the risks and consult with others involved including staff, visitors or contractors and to develop controls to eliminate or minimise the risks.
- The Licensee as occupier of the licenced space is responsible for completing all risk assessments and providing evidence of safe systems of work.
- SafeWork NSW Inspectors will be on site during bump-in, operational periods and bump-out, as well as the Department of Fair Trading and RAS Safety Manager. Advice and information can be obtained from both SafeWork NSW and the RAS Safety Manager.
- All catering outlets will be inspected for gas compliance to AS/NZS 5601.1 2022 Gas Installations General Installations, AS/NZS 5601.2 2020 LP Gas installations in caravans and boats for non-propulsive purposes and AS/NZS 1596 2014 the storage and handling of LP Gas. All compliance plates must be complete and legible. Quick connection devices are NOT an approved joining method within a gas installation and will NOT be accepted. Multilayer gas pipe can no longer be installed above ground externally.
- **Sleeping on the Showground is not permitted.**

SERVICES

Site services such as electricity, water, waste and gas can be provided by the RAS or nominated contractor. The cost of those services is in addition to the Licence Fee. Charges for connection and equipment usage will be invoiced to the Licensee and payment of those costs is required prior to the commencement of the SRES. Operators must adhere to terms and conditions contained in the 2027 SRES Licence and the SRES Event Manual. Outlets and all internal equipment must arrive clean. Washing down outlets, equipment, exhaust filters and the like following bump in is not permitted. The site must be left clean at the end of the licence period and no pressure washing is permitted.

TICKETS & PASSES

Staff admission passes are payable by the Licensee at \$10.00 per person. If additional staff passes are required during the event, Licensees must submit a copy of their staff roster to verify this.

AWARD WAGES

Staff of the Licensee must be employed under the terms and conditions of the applicable Award for their activity and industry or another appropriate industrial instrument such as a registered enterprise agreement.

REPORTING & AUDITING

The Licensee must utilise cash register equipment that incorporates the following requirements:

Customer-facing display; backup battery; ability to time/date stamp each transaction on the journal; and pre-programmed products, noting that numeric key pads only will not be accepted.

Licensees are required to submit RAS Daily Gross Sales Reports, with register Z-reads and EFTPOS totals attached, to the RAS by 10am the day following each day's trading. Licensees must keep accurate records, have a skimming procedure in place and comply with RAS procedures in relation to auditing, including the ability to issue a compliant tax invoice upon request. The RAS will have the right to audit records in connection with the SRES. During any audit, Licensees will need to be able to print a cumulative total from any EFTPOS terminal.

EFTPOS & CREDIT CARD FACILITIES

All catering outlets must utilise EFTPOS/Credit Card facilities. A minimum of one terminal is to be provided for outlets containing two cash registers and two terminals for three or more registers.

NEW INITIATIVE FOR 2027: PROPOSED POS OPERATING MODEL

Significant change for 2027

The following section introduces a proposed RAS managed POS environment for Catering concessionaires participating in the 2027 Sydney Royal Easter Show. Applicants should factor this requirement into their operating and pricing submissions.

Proposed POS Operating Model

The Royal Agricultural Society of NSW (RAS) intends to implement a managed Point of Sale (POS) environment for Catering concessionaires participating in the 2027 Sydney Royal Easter Show.

The proposed model is intended to improve transaction visibility, simplify reporting processes, improve settlement arrangements and strengthen revenue assurance.

The RAS currently anticipates utilising Square, or another approved solution, as part of the future operating model.

Detailed onboarding, testing and implementation requirements will be provided to successful applicants.

Participation Requirement

Participation in the approved RAS managed POS environment is expected to be a condition of participation for Catering concessionaires at the 2027 Sydney Royal Easter Show.

Applicants should consider this requirement when preparing their submissions.

Hardware and Software Responsibilities

Under the proposed operating model:

- RAS will provide and administer the approved POS software environment.
- Vendors will continue to provide compatible hardware and connectivity.
- Vendors will access the RAS managed POS environment using their approved devices.
- RAS will manage user access, reporting, configuration and administration of the POS environment.
- Vendors remain responsible for hardware procurement, maintenance, replacement and connectivity.

Detailed technical requirements will be provided during onboarding.

Merchant Fees and Pricing

Merchant fees associated with card transactions are expected to remain the responsibility of the concessionaire.

This includes transaction processing fees associated with the approved POS environment.

Applicants should allow for merchant fee costs when preparing menu pricing submissions.

Customer payment surcharges are not proposed to be permitted.

All pricing submitted should represent the final customer price and comply with applicable consumer pricing requirements.

Further details regarding the administration and recovery of merchant fees will be communicated through the final licence documentation and onboarding process.

Cash Payments

Cash payments are expected to continue to be accepted.

All cash transactions must be recorded through the approved POS environment and will form part of Gross Sales reporting and licence fee calculations.

Vendors will remain responsible for collecting and banking cash.

Further details regarding cash handling procedures will be communicated during onboarding.

Settlement Arrangements

Licence fee calculations and settlement processes are expected to be based on transaction data recorded through the approved POS environment.

Progressive settlement arrangements are expected to apply during and following the Show.

Further information regarding settlement timing, reporting, reserve arrangements and associated processes will be provided through the final licence documentation and onboarding programme.

Reporting and Revenue Assurance

The RAS is proposing to modernise sales reporting and revenue assurance processes as part of the Catering POS programme.

Under the proposed model:

- All sales transactions will be recorded through the approved POS environment.
- Transaction reporting will be system generated.
- Licence fee calculations and settlement processes will be based on POS generated transaction data.
- Revenue assurance activities may include transaction reviews, exception reporting, audit reviews and operational observations.

The objective is to reduce manual reporting while improving visibility, consistency and revenue assurance.

PRICING REQUIREMENTS

From 1 October 2026, all successful catering operators must comply with the Australian Consumer Law and the updated pricing requirements relating to price displays and payment charges.

All advertised, displayed and point-of-sale prices must represent the final price payable by the customer, inclusive of GST and any mandatory or unavoidable fees, charges or transaction costs. Pricing practices that add compulsory transaction or payment fees at the point of sale are not permitted.

Accordingly, exhibitors are required to ensure that:

- all menu boards, price lists and digital displays show the final amount payable by the customer;
- no additional transaction, payment or processing fees are added at the time of purchase where these form part of the final sale price; and
- all pricing complies with the requirements of the Australian Consumer Law and any applicable card payment rules in force from 1 October 2026.

Failure to comply with these requirements may result in corrective action being required during the event and may be considered in future participation in Royal Agricultural Society of NSW events.

It is the responsibility of each catering operator to ensure their pricing practices, point-of-sale systems and payment processes comply with all applicable Australian Consumer Law requirements. The Royal Agricultural Society of NSW accepts no responsibility for an exhibitor's failure to comply with these legislative obligations.

FOOD SAFETY

Licensees must comply with all laws and meet the statutory requirements of all relevant legislation including the Australia New Zealand Food Standards Code (FSANZ) and with the Food Act 2003 (NSW) and Food Regulation 2015 (NSW).

Licensees should refer to the ANZFA Food Standards Code for: Food Safety Standards (Chapter 3; Sections 3.1 and 3.2), Food Standards Code Amendment Food Labelling, Food Vending Machines, Temporary Food Premises, The Construction and Fit Out of Food Premises, and Food Business Notification registration.

The local authority for Sydney Showground is Parramatta Council. Parramatta Council charges each catering site an inspection fee for the period of the SRES. Each site is inspected on a daily basis and Parramatta Council is responsible for ensuring that all sites meet operating standards through the period.

MANDATORY CLEANING AND WASTE MANAGEMENT FEE

To ensure a consistently high standard of cleanliness, hygiene and presentation across all catering precincts, the Royal Agricultural Society of NSW will introduce a mandatory Cleaning and Waste Management Fee of \$1,500 (plus GST) per catering outlet for the 2027 Sydney Royal Easter Show.

This fee contributes to the costs associated with:

- cleaning of public dining and common areas;
- waste collection and disposal services;
- maintenance of food precincts throughout the event; and
- ensuring catering precincts remain clean, safe and welcoming for visitors.

The fee applies to every catering outlet, regardless of outlet size or trading location, and is payable as part of the exhibitor's participation costs. This fee does not replace the operator's responsibility to maintain the cleanliness of their own outlet or to comply with all waste management and environmental requirements outlined in the Catering Operating Manual.

PREFERRED SUPPLIERS

The RAS has an official preferred supplier of white and flavoured milk which is Riverina Fresh and Coca-Cola Europacific Partners Australia for carbonated beverages, water and juice.

Following this application the RAS may have entered, or may enter, into arrangements with third parties concerning the sale or supply of certain preferred products on the Showground. RAS reserves the right to prohibit the Licensee from selling or supplying any particular product.

ACCESS & PARKING

A bump-in, bump-out and delivery pass system will be implemented. Access to Sydney Showground will be limited, and all vehicles must display a valid pass in order to gain access to the Showground. Licensees are encouraged to utilise the extensive public transport system operating during the SRES. Illegal parking is subject to infringement. Parking on-site during the SRES is not permitted.

ENVIRONMENTAL

A condition of operation at Sydney Showground is the use of environmentally safe packaging and compliance with Plastics and Circular Economy Act 2021. This legislation prohibits the supply of lightweight plastic bags, single use plastic straws, cutlery, stirrers, plates and bowls. All products must be capable of being served in approved and tested paper or recycled packaging.

To ensure that this condition is met, all packaging utilised must be in accordance with environmentally safe packaging approved by the RAS. Any product brought into Sydney Showground in a pre-packaged container must meet waste minimisation criteria.

Under environmental and Sydney Olympic Park Authority (SOPA) legislation (including the Environmental Protection Authority (EPA) Act, the Sydney Olympic Park Act & Regulations and the RAS Environmental Management Plan), Licensees at a minimum, are:

- Prohibited from using toxic substances or materials in packaging;
- Prohibited from disposal of waste into the stormwater system;
- Required to participate in SRES waste avoidance and minimisation by sorting waste at the source into waste streams suitable for recycling, along with educating staff to do likewise;

- Required to comply with RAS instructions in relation to the environment including noise control;
- The RAS will provide Licensees with environmental guidelines specific to the SRES;
- Licensees are responsible for any music licences if required by APRA AMCOS or any other relevant authority;
- Required to use recycled paper or recyclable food trays and packaging;
- Prohibited from using non-recyclable packaging;
- Required to properly dispose of all oil and other kitchen waste.

SUPPORTING FIRST NATIONS

The Royal Agricultural Society of NSW respectfully acknowledges the Traditional Custodians of the land we now work on and use every day for our business and is committed to creating opportunities for Aboriginal people, Aboriginal owned business and Aboriginal communities.

This commitment aligns with the society's Reconciliation Action Plan to improve outcomes for Aboriginal people across all sectors of the community. The Sydney Royal Easter Show encourages applications from Aboriginal business and seeks to enable and grow them at one of Australia's largest annual ticketed events.

An Aboriginal business is one that has at least 50% Aboriginal ownership and that is recognised through an appropriate organisation, such as Supply Nation or NSW Indigenous Chamber of Commerce. These organisations maintain lists of Aboriginal businesses that are audited and undergo quality assurance.

If you operate an Aboriginal business, we encourage you to make us aware and complete an application.

LICENCE FEE

- The Licence Fee is calculated as 23% of Gross Sales Revenue.
- No entry is permitted to Sydney Showground unless all documentation and payment has been received by the RAS and all accreditation allocated.
- Waste Management Fee: \$1,500 per approved outlet.
- Site Utilities: Refer to “Services” within the Prospectus.

INVOICING

Payment #	Payment Date	Covering days
1st payment	Thu, 25 Mar 2027	Days 1-4
2nd payment	Wed, 31 Mar 2027	Days 5-10
3rd payment	Fri, 9 Apr 2027	Days 11-12

RAS intends to make settlement payments in accordance with the indicative settlement schedule published in the prospectus, subject to completion of required reconciliations, verification activities and any adjustments permitted under the licence agreement.

1. Any Merchant processing fees charged by Square will be deducted from the Licensee’s Settlement Payments.
2. The Minimum Licence Fee paid prior to the Show will be credited against the Licence Fee calculated in the Settlement Payments. Where the prepaid amount exceeds the Licence Fee payable in that settlement, the remaining balance will be carried forward and applied to subsequent Settlement Payments until the full prepaid amount has been exhausted.

3. On the final settlement day, RAS will retain an amount of \$1,000 per site location from the Licensee’s Settlement Payments for a period of 120 calendar days following the final day of the Show to cover any post-show chargebacks processed through Square. The RAS will provide the Licensee with a report of any chargebacks deducted from the retained funds. Where the value of the chargebacks exceed the retained amount, the RAS will invoice the Licensee for the shortfall, which must be paid within seven (7) business days of the invoice date. Any remaining balance from the retained amount after all chargebacks have been processed, will be refunded within seven (7) business days following the expiry of the 120-day retention period.

SPECIAL CATERING CONDITIONS
